YOUR ASSURANCE OF A QUALITY JOB

The Lifetime Warranty Programme is your assurance of a quality, professional job. Because before a bodyshop can qualify to offer the plan, its painters must undergo extensive training at a Sikkens training centre. There they learn advanced refinishing techniques- from primer selection to colour matching and topcoat application. And when they graduate, they have the knowledge it takes to create a beautiful Sikkens finish for you. Ask your bodyshop for the details of the lifetime Warranty Programme – your guarantee of long-lasting perfection.
